

**SPECIAL NOTICE REGARDING
CORONAVIRUS DISEASE 2019 (COVID-19)
AND PARTICIPATION IN PUBLIC MEETINGS**

On March 4, 2020, Governor Newsom declared a State of Emergency resulting from the threat of COVID-19. On September 16, 2021, Governor Newsom signed Assembly Bill No. 361 into law. Assembly Bill No. 361 amends Government Code section 54953(e) by adding provisions for remote teleconferencing participation in meetings by members of a legislative body, without the requirements of Government Code section 54953(b)(3), subject to the existence of certain conditions. The Upper Santa Ana River Watershed Financing Authority adopted a resolution determining, by majority vote, that, as a result of the declared State of Emergency, a meeting in person would present imminent risks to the health or safety of attendees. Accordingly, it has been determined that all meetings of the Upper Santa Ana River Watershed Financing Authority will be held pursuant to the Brown Act and will be conducted via teleconference. There will be no public access to the meeting venue.

4.1 Executive Director's Report

Executive Director Heather Dyer updated the Board. She advised that the application process is continuing with assembly of information and financial modeling. The financial planning and consulting team is moving forward and coordinating closely with Fieldman Rolapp and Stradling, with the support of AECOM and WSC. Each agency is working to move forward, she explained.

Also in process is coordination with Western Municipal Water District and Riverside Public Utilities, which are 28 percent of many of Valley District's large, active recharge and stormwater capture projects, to accurately reflect their financial participation in these projects, Ms. Dyer added.

Ms. Dyer explained that Valley District is in the process of applying for an award for excellence and innovation from the Association of California Water Agencies for the Watershed Connect program. The objective is to bring visibility to the program to generate support, she said, and she detailed the application document. This product, highlighting the collective nature of the effort, will be available for all to use when meeting with elected officials, various local officials, potential partners, and others.

Director Guerrero commented that the document shows exactly what the program is about. He and Director Cozad requested a copy.

Ms. Dyer noted that there was a groundbreaking event for the Weaver Basins project last week, which is part of the Watershed Connect portfolio.

INFRASTRUCTURE FINANCING AUTHORITY

DATE: April 6, 2022

TO: Board of Directors

FROM: Heather Dyer, Executive Director

SUBJECT: Consider Resolution No. 008 authorizing the Authority to conduct remote meetings for the period April 6, 2022, through May 5, 2022, pursuant to Brown Act Provisions

Staff Recommendation:

Adopt Resolution No. 008 authorizing remote teleconference of the Board of Directors and Technical Advisory Committee of the Authority for the next 30 days.

Summary:

On March 2, 2022, the Board adopted Resolution No. 007 authorizing remote teleconference meetings for a period of 30 days ending March 31, 2022. Due to the expiration of the resolution, the Board of Directors is required to adopt a new authorizing resolution to continue teleconference meetings in accordance with Brown Act provisions.

Background:

Assembly Bill 361 ("AB 361"), effective on October 1, 2021, amends Government Code 54953 to provide authority and specific requirements for public agencies to hold virtual meetings during a proclaimed state of emergency and remain in compliance with the Brown Act. In accordance with Government Code Section 54953 (e)(3), the Board must review the need and make findings for continuing the teleconferencing as authorized by AB 361 at least once every thirty (30) days until the Governor terminates the state of emergency. With the adoption of Resolution No. 008, the Board is reaffirming its findings and compliance to AB 361 for the next 30 days ending May 5, 2022.

Fiscal Impact:

There is no fiscal impact associated with the requested action.
