### **Summary**

The District continues monitoring legislative activities through Federal lobbyists, Innovative Federal Strategies, Inc. Efforts include active legislation tracking, participating in various industry association discussions, facilitating meetings with legislative and regulatory elected officials and staff and other activities. Representatives from Innovative Federal Strategies, Inc. will participate virtually in the workshop and provide updates on current significant Federal legislation.

Staff will also provide a brief update on State legislative activities.

### **Background**

Innovative Federal Strategies, Inc. is the District's Federal lobbyist in Washington, D.C. Federal legislative advocates will give bi-monthly presentations at the Policy/Administration workshop via Zoom to provide an update on current, significant legislative activity.

Federal activities primarily focused on the federal government annual budget and appropriations cycle. State activities primarily focused on current bills and preparation for the Governor's May Budget Revise.

### **District Strategic Plan Application**

The Federal legislation program aligns with the District's mission of *working collaboratively to provide a reliable and sustainable water supply to support the changing needs of our region's people and environment*. By staying active and engaged in legislative issues, the District can establish a presence and build relationships with our Federal legislators which helps the District

achieve its goal to *Establish San Bernardino Valley as an industry leader, recognized locally by the public and our peers for the leadership and positive impact we have within our region and the state.*
