

Inland Empire Favorites

Inland Empire Favorites thrive in our Mediterranean climate. Needing little water or care, these beautiful plants will provide you with year-round color and interest!

Iceberg Rose - *Rosa floribunda 'Iceberg'*. White or pink flowers in summer and fall.

Creeping Rosemary - *Rosmarinus officinalis 'Prostratus'*. Low growing with blue flowers.

Blanket Flower - *Gaillardia x grandiflora*. Striking flowers attract butterflies.

Moonshine Yarrow - *Achillea 'Moonshine'*. Bright yellow flowers with grey-green foliage.

Blue Grama Grass - *'Blonde Ambition'*. Unique grass that waves gracefully in the breeze.
